

Maths Will Never Look the Same Again

Experience Jo Boaler Live in Aotearoa!

Join world-renowned Stanford professor and bestselling author Jo Boaler for an inspiring, research-driven workshop that will transform the way you teach and learn maths.

Discover how to foster a growth mindset, ignite a love of learning, and give every student the confidence to succeed in maths.

“Learning is enhanced when students succeed in and feel positive about their learning” (Te Mataiaho, 2024).

Experience Professor Jo Boaler’s groundbreaking methods and how they help reduce maths anxiety, build confidence, and make every student feel capable and successful.

Don’t miss this opportunity to revolutionize your approach to maths education — and spark a lifelong journey of confidence and curiosity in your learners!
