

Want new, challenging and exciting opportunities for your Year 7 and 8 learners?

Want them to be able to compete and engage with other learners at the highest level?

If so then the WFPSA is for you!

Who are the WFPSA?

The WFPSA was established in 1999 to provide further opportunities for the Year 7 and 8 children of non-intermediate schools in the Waikato, King Country, Thames Valley and Bay of Plenty.

The WFPSA and all the events are run by a number of volunteer Principals and schools throughout the region.

There are currently around 80 member schools

What do we do?

The WFPSA has one purpose; to provide opportunities for quality sporting, academic and cultural participation and competition for Year 7 and 8 children in non-intermediate schools.

These opportunities ensure that students are able to compete and engage with other Year 7 and 8 learners at the highest level and best settings regardless of the size or location of their school.

What are the WFPSA events for 2016?

There are currently four events on the calendar for 2016. Click each for full details

Is there the chance for more opportunities?

The WFPSA is a voluntary organisation run by its members for its members. We are always looking for new opportunities.

If you have an idea for a new opportunity that you would be keen to lead or support, please contact us.

How do we get involved?

You will find the membership form on the back of this flyer. Joining is just \$25 per year for each Y7 and 8 class you have, e.g. 1 class \$25, 2 classes \$50, etc.

You can then opt into as few or as many events as you'd like. Details of upcoming events are sent out to all member schools and posted on our website. There is no further cost to attend these events.
