

IMPORTANT PLD FOR PRINCIPALS AND SENIOR STAFF

An Invite and a Challenging Question for all our Waikato Principals:

What is the purpose of education for Māori?

1. What do I believe is the purpose of education for Māori?
2. How will I go about learning, discovering and catering for this in my school?
3. What do I need to do to transform my school's pedagogy, practice and culture to enable Māori to realise their potential, first as Māori, then as successful contributors to both our worlds and then globally?

What do you know about MAC, the Maori Achievement
