

PLD OPPORTUNITIES 2017 for BEGINNING TEACHERS

Beginning teacher literacy workshop series 2017

Vision Education is offering a series of 6 full day workshops (2 per term, term 1-3) for beginning teachers to support their classroom instruction in literacy. Using the inquiry model of PLD the sessions will build on each other and will include:

- Organisation of groups with a strong focus on activities for students when they are not working with their teacher
- Key reading teaching approaches of guided reading, shared reading, reciprocal reading,
- Key writing teaching approaches of modelled writing, guided writing, shared writing, partner and collaborative writing
- Teaching skills – reading and writing – spelling, grammar, punctuation, sentence structure, paragraphs with a focus on making links between reading and writing
- Understanding the literacy learning progressions and unpacking the national standards
- Vocabulary development for reading and writing

A workshop on Oral language will included in each session

Costs - \$650.00 + GST per beginning teacher includes a copy of **Teaching Reading Comprehension (2016)** and **Effective Writing Instruction (2013)** by Alison Davis, director, Vision Education
