BUILD THE INSTRUCTIONAL CAPACITY OF LEADERSHIP.

leading change process and building collective teacher efficacy

CURIOSITY, CREATIVITY, COLLABORATION
LEAD TO DISCOVERY, INNOVATION AND
LEARNING.

ABOUT ME

Andrew Jones
Director

Andrew Jones is principal class officer with the Victorian Department of Education and Training in Australia. He is currently completing his Doctoral research in the area of *School Learning Culture and Professional Learning Design* at Melbourne Graduate School of Education, University of Melbourne. Andrew has been working in Victorian schools in a range of settings both as a teacher and as a school leader for over 20 years. He led the closure and regeneration of four failing schools in the northern suburbs of Melbourne and is currently seconded to a Research Fellowship at the Science of Learning Research Centre. He is passionate about further understanding the learner experience within formal instructional environments. He has a Masters in Educational Leadership and consults regularly with schools, professional networks, government, researchers and policy makers all around the world.

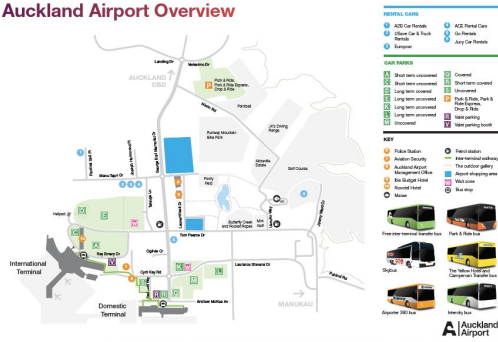

PROGRAMME / OVERVIEW:
