

Kia ora Principal and Board of Trustee Members,

Thank you very much to those who attended our recent Property Seminar. This seminar has proven to be very popular, and your attendance helped to ensure it was a successful evening for all concerned. The large numbers of attendees also indicate to us the value of holding these events.

I have attached information from the evening and also the link to a survey. I would appreciate it if you could take 5 mins to complete this so that we can learn from your feedback.
