tech-week 2018 WAIKATO

YOUNG INNOVATORS CHALLENGE

"Innovation that's good for the world!"

AGES 3-18

THE CHALLENGE

Design or create an idea that's "good for the world" - for your whanau, your school/kura, your community, our country, or the whole world! Use what you've got, and give it a go! There's no right answer - we just want to see your creativity, your smarts, and your skills.
Do it with a team, or Do It Yourself!

THE PRIZES

We've got hundreds of dollars of technology and other goodies to give away for different categories and ages, with the chance to present your idea or creation at a gala event!

ENTER THE CHALLENGE!
