

Some Statements to Help

I'll get the increase anyway =

- Is it fair your colleagues pay and fight for your benefits?
- A part of our claim was no pass ons for a year, this includes release time as well as pay.
- Colleagues before us have fought for what we already have in our collective, we need to keep these conditions.
- Many voices are louder than 1 and if everyone felt that way we would lose our collective.

Facts to Share

- There is a teacher shortage – every school is having this issue.
- There is a drop in people training.
- It is hard to attract staff and new teachers.
- There is an aging workforce.
- We are losing skill sets of teacher e.g. ICT/Science.
- Lack of funding to children's needs.
- Need support for SENCOs.
- OECD Comparative data.
- Children with special needs are on huge waiting lists and there is not enough funding for them.
- Highlight the impact on teachers – share your stories.
- Implications of class sizes.
- Teacher time per child.

Ideas for the 15th August

- Have action the before also
- Action takes place in different venues/area around the city.
- Cluster groups gather in local agreed location.
