

What is Kiwisport

The Kiwisport Regional Partnership fund is a government funded initiative that helps to get more school- aged children participating in organised sport. Sport NZ who oversee the KiwiSport fund have enlisted the 14 Regional Sports Trusts, such as Sport Waikato, to manage the fund on their behalf. The amount of funding allocated to each Sports Trust depends on how many school aged children are in each region. Sport Waikato has administered this fund on behalf of Sport NZ since 2009.
