

kia ora, kia ora te iwi

Due to challenging distance-learning circumstances created by Covid-19, Swivl is giving free Pro Team access to all users until June 2020.

Email support@swivl.com for your free upgrade.

Live Streaming

Distance learning for homebound or remote students.
Swivl is the world leader in video observation technology.

Swivl provides the best video data capture hardware and most flexible software to help achieve your organisation, teacher and student goals.

With Swivl and Zoom you can share real-time video with a colleague, a coach, or with the world! Make a video call from your classroom while Swivl continues to follow you, or broadcast your class to a big audience. It's easy, just connect to Swivl and then open the Zoom app

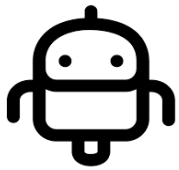

if you have any questions please ring or email me

Apple and Android App
