

All workshops offered online

Owing to ongoing COVID-19 restrictions, all upcoming workshops that were scheduled to run in 2020 by Te Whai Toi Tangata, the Institute of Professional Learning, will be facilitated in an online format. However if we get a shift in the COVID-19 alert level that allows face-to-face workshops to resume in Term 4, we will facilitate in person.

There are still places available in most workshops, so take the opportunity to register now.
